# Things to Do Before You Call:

**Have a calendar handy to check your dates.**

*Make sure you know the exact day you need the drops to arrive and when you can ship them out again.*

**Plan your rentals in advance.**

*During peak backdrop rental seasons (ie. December, June, etc.) it may be necessary to place your rental order 6 - 12 months in advance.*

**Have your Schell Scenic Catalog on hand.**

*Be sure you've reviewed our policies and procedures.*

**Choose two or three back-up choices per backdrop.**

*Make sure you write down second or third choices per backdrop.*

**Check the measurements of your stage and the drops you are renting.**

*Schell Scenic drops come in different dimensions. Make sure that your selected drops will fit your venue.*

**Have a credit card ready.**

*To place a reservation on a backdrop you may be asked to do so with a major credit card.*

**Get a purchase order number.**

*Some organizations require that we place their purchase order numbers on invoices.*

**Write down your Schell order number.**

*We will use this number to access individual orders. **Note: Your signed confirmation is required before your order is ready to process.***

**Know your business address.**

*UPS can not guarantee timely delivery to residential addresses. This could cause the backdrops to arrive to you later than expected.*
